Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$4,183,312 in community project funding for the Flood Protection Measures for Stratford Water Pollution Control Facility.

The entity to receive funding for this project is the town of Stratford located at 2725 Main Street Stratford, CT 06615.

The funding would be used to enable the Town of Stratford to refortify an existing dike around their existing Water Pollution Control Facility, upgrade stormwater piping and upgrade the stormwater pump station all to prevent open flows of untreated sewage that result from flooding.

I certify that neither I nor my immediate family has any financial interest in this project.

A handwritten signature in black ink that reads "Rosa L. DeLauro".
